

Please don't change Indiana's telemarketing law. This has worked very well to give us some peace and quiet, not to mention privacy. We used to receive up to three or four phone calls a day. Now we rarely get one - maybe one a month. Now we can eat, sleep, entertain guests and have a quality family life without annoying intrusions. I feel that if I want a product or service, I'll get it on my own, not from a nuisance call.

We feel this Indiana law is great for everyone, not just us!!

Thank you. Carol Elliott
